Lucita, please review the email. Let me know if I need to add anything else. Feel free to do edits if needed. I will review and clean the assessment now while you review this. Should I send the assessment in WORD or PDF? WORD they can add comments. PDF, they can, but I don't know if they have the full Adobe version.

Ok, I made a few edits. Please take a look and see what you think. Once it's cleaned up, I think you can send out a draft. Let me know if you want me to review any email messages before it goes to them.

Document is clean, except the Header.

I talked to Sarah. Sarah does not need to reviewed this. She understands that you are involved.

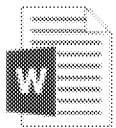

Please open in WORD. The online reader is not showing the document right.

Let me know so I can send it.

Omar
